

## SMART-TD Mobile Has Been Updated!

### Has All the Same Great Features

- Schedule and Rating of Events
- Detailed Workshop Descriptions
- Bios for Officers and Presenters
- Member Resources and Toolbox

### Plus These New Enhancements

#### My Schedule

Easily build your own personal schedule and manage it through the 'My Schedule' tile at the bottom of the Home screen. And let the App remind you of each event by allowing SMART-TD Mobile to access your device's calendar.

#### Target Audience

Use the new 'Target Audience' filter on the Events screen to locate all the Events that interest you the most. Look for the 'CERTIFICATE' indicator on Events that are part of the new *Certificate of Achievement* program.

#### New Look Home Screen

Enjoy the updated Home Page with access to all of your most common functions and the Hotel Map.

## The Essential App for the TD Regional Meeting, and Beyond!

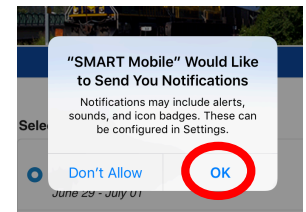

### New "Year Round" Features

#### Automated Alerts

SMART-TD Mobile will keep you updated on all the most important announcements with automated alerts, opening up a new communication channel to SMART members that has never existed before. It's not just for the Regional Meetings, it will provide instant access to valuable information all year long. Allow SMART Mobile to Send You Notifications.

#### SMART TD News Feed

SMART-TD Mobile is now a news feed!! Get the latest TD news on your phone anytime – look for the newspaper tile at the bottom of the Home screen.

**Download Version 2.5 Today!!**

**Search for "SMART-Transportation Division" in the App Store and Google Play**
