DECLARATION AND AGREEMENT

I understand my membership will be in effect only if approved by the Administrator and the required assessment received at the SMART Transportation Division office. I understand the SMART Discipline/Income Protection Program ("Program") is a separate, voluntary program established and maintained by the SMART Transportation Division. If this application is approved, I agree to abide by the plan document for the Program as adopted or as may be hereafter amended by the Board of Trustees. I understand I will be eligible to receive benefits from the Program only while in good standing in the SMART Transportation Division and in the Program by payment of all required dues and assessments when due. I further understand the coverage applied for in this application will not cover disciplinary discharges or suspensions which took place before the approved effective date of this coverage whether such discipline was assessed before or after the effective date of this coverage. I agree that in the event my answer to any of the above questions is untrue or incomplete, my membership in the Program shall terminate and all benefits therein cancelled. I understand that participation in the Program is entirely voluntary and that my membership in the SMART Transportation Division shall not be affected by reason of discontinuance of membership in the Program. I understand that should my membership with the SMART Transportation Division be terminated, for any reason, my membership in the Program automatically terminates at the same time. I understand that, for purposes of determining my coverage period under the Program, my participation in the United Transportation Union Job Benefit Fund/Income Security Program will be considered to be participation in this Program.

I also understand and agree that I will not be eligible for any benefits or compensation whatsoever for discharge and/or suspension either permanently or temporarily where such penalty or method of discipline/decertification is based in whole or in part on the following:
