Retirees Support

SHEET METAL | AIR | RAIL | TRANSPORTATION

SMART TD PAC values the support of our retired members. We need brothers and sisters of the past, present and future working toward a common goal to safeguard pension rights, railroad retirement and social security laws and working conditions. That is because our pensions and financial futures are more directly affected by the actions of lawmakers at all levels. The best chance we have of making our voices heard in the halls of power is to combine the strength of over 28,000 **SMART-TD** members and retirees to help labor-friendly legislators working tirelessly to protect our interests and those of our brothers and sisters. Help us help you by donating to **SMART TD PAC** today!
