Member Disaster Relief Needs Increase!

Dear Members of the SMART Transportation Division:

The catastrophic storm damage and flood waters caused by hurricane Harvey and Irma have devastated Texas and Florida with loss of life and immeasurable destruction of property.

Some of those affected by the devastation are our Brothers and Sisters of SMART Transportation Division (SMART TD) who live in and near the areas affected. The silver lining is, the generosity of citizens around the country who are giving what they can to help those affected to reclaim their lives.

We are asking the SMART TD family to rise to the call and give what you can, so that the daunting task of starting over and rebuilding can begin. Your generous donation will help lessen the struggle and bring real hope and relief to our SMART TD members who are suffering from this great loss. SMART TD will administer donations sent to the ***UTU Disaster Relief Fund***.

Contributions may be sent and made payable to:

UTU Disaster Relief Fund
