Article Twenty-One B (21B) SECTION 48 – LOCAL FUNDS

No change in Local Committee dues, the daily rate or salary established for Local Officers or Legislative Representatives, or the levying of a special assessment may be considered until such proposition has been read at one (1) regular or special meeting and all members working under the jurisdiction of the Local Committee have been notified of the proposition and date on which the proposition will be considered. Any proposition to change Local dues, daily rate or salary of Local Officers or Legislative Representatives, or to levy a special assessment must be approved by a majority vote of the members, voting by secret ballot, who are in attendance when the proposition is considered.

Each Local shall maintain a Local Committee fund to pay the cost of representation by the Local Committee of Adjustment by levying Local Committee dues, as established by the members present under its jurisdiction, voting by secret ballot, when the committee is established.

No change in Local Committee dues, the daily rate or salary established for Local Committee persons, or the levying of a special assessment may be considered until such proposition has been read at one (1) regular or special meeting and all members working under the jurisdiction of the Local Committee have been notified of the proposition and date on which the proposition will be considered. Any proposition to change Local Committee dues, daily rate or salary of Local Committee persons, or to levy a special assessment must be approved by a majority vote of the members working under the jurisdiction of the Local Committee involved, voting by secret ballot, who are in attendance when the proposition is considered. The effective date of any increase in Local, Local Committee of Adjustment dues, or special assessments must coincide with the requirements of any check off of Union Dues Agreement in effect.
The Local Treasurer, in cooperation with the Local President and the Local Chairperson involved, will maintain a close check of the roster of members who are relieved from the payment of full dues and assessments under the provisions of this Section with a view towards avoiding the abuse of this privilege.

Local Officers, Committeepersons, Legislative Representatives and Delegates, upon leaving office must promptly transfer all property, funds, securities, equipment and other effects of their office to their successor.

The Treasurer shall receive all money due to be collected by the Local and give his/her receipt for the same. Where a Local maintains the office of Collector, the provisions of Section 65 will apply. The Treasurer shall hold and keep secure all Local funds and shall be bonded as provided in Section 71 of Article Twenty-One B (21B). He/she shall sign all papers requiring his/her signature and perform other duties required by Article Twenty-One B (21B) and the bylaws of the Local. He/she shall keep an accurate account for all receipts and expenditures of the Local on forms provided for that purpose. These records shall be open at all times for inspection and audit by officers of the International or their representatives.

The Treasurer shall promptly, but not later than the 20th day of each month, remit to the General Secretary-Treasurer all monies due the International. All disbursements issued by check or draft must be countersigned by the President of the Local. Each disbursement shall be reported by the Treasurer at the first meeting of the Local following the disbursement.

During the month of January of each year, the Treasurer shall submit to the Board of Trustees a report in duplicate, on the form prescribed for that purpose, showing all receipts and disbursements of the Local for the preceding year. The Board of Trustees will promptly audit the books and, if the Treasurer’s report is found to be correct and the cash on hand or its equivalent has been verified, the Board members shall sign and submit the report to the first regular meeting of the Local following the audit. A copy of the signed report shall then be sent to the General Secretary-Treasurer by the Board of Trustees.

The Treasurer shall be a member of all Local Committees which receive or disburse money. When Local action is taken approving the disbursement of funds which in the opinion of the Treasurer is in violation of provisions of this Constitution or the Local’s bylaws, he/she shall withhold payment for a period not to exceed thirty (30) days and report the matter at once to the President Transportation Division. The Treasurer will then be governed by the President Transportation Division’s instructions regarding the expenditure involved, subject to appeal.

The Treasurer shall notify the Treasurer of another Local when he/she has knowledge that a member of his/her Local is employed under the jurisdiction of the other Local.

It shall be the responsibility of the Treasurer to credit dues and assessments paid to the appropriate Local Committee of Adjustment and General Committee of Adjustment accounts of his/her Local in accordance with the provisions of Article Twenty-One B (21B).

The Treasurer shall, with the President and Secretary, file all reports required by Federal, State, and local laws.

When required, it shall be the duty of the Chairperson or the Local Committee of Adjustment to furnish the Treasurer of the Local and the interested General Chairpersons the names of nonmembers and members who have been taken out of service, or who have been returned to service. Additionally, the Chairperson of the Local Committee of Adjustment will assist in furnishing information to the Treasurer as to the names of employees working under the jurisdiction of his/her committee.
Putting the SMART Constitution into practice...

The job of the Local Treasurer is extensive. The following is a high-level overview of the office. Visit the S&T tools section of the SMART TD website for extensive guidance on the position.

A. **Ensure financial safeguards are upheld** – make sure the Local is practicing all safeguards established by the SMART Constitution, the Department of Labor (DOL), and the IRS.

B. **Maintain accurate, up-to-date member records** – member records are the basis for all income coming into the Local. Treasurers will spend most of their time keeping these up to date and ensuring that payroll deductions are accurate. A thorough understanding of how dues are collected, the application of E-49 status/policy effective dates and processing member transfers are essential pieces of the job.

C. **Manage Finances** - Receipt all money collected, hold and keep secure all Local and LCA fund(s), keep an accurate account of all receipts and expenditures for each of the managed funds, obtain proper authorization for all disbursements. Pay taxes as required by law.

D. **Complete & file required reports** – various reports must be filed with SMART TD, Local membership, the DOL, the IRS, and the Social Security Administration. The specifics depend on the type of Local you are. Treasurers must coordinate efforts with the Local President and/or Secretary to file all reports required by Federal, State and municipal laws.

E. **Keep proper records** – detailed records and documentation regarding the business and democratic proceedings of the Local must be kept in accordance with the law

F. **Participate in lodge meetings** – regular attendance and reporting at Local meetings is essential.

In addition to the high-level duties listed above, Local Treasurers should have the following skills:

- **Good with numbers and money** – not only do you have to pay bills, you need to be able to generate reports about all the money coming in and out of the Local and LCA funds

- **Strong communicator** – there’s a lot you won’t know about the specifics of the job without reaching out and talking to your members. You need to respond to questions from members and authorities in a reasonable amount of time too.

- **Organized** – the appearance of your records is just as important as what is contained in them.

- **Time management** - you’ll not only need to be organized with your physical records you keep, but you’ll need to be organized with your time. In order to stay on top of your duties, you’ll have to dedicate some time on a routine, regular basis. You need to be aware of payroll schedules and deduction cut off date as well as the deadlines for all treasurer work.

- **Team player** – you will need to work with your other Local officers and Local Chairpersons

- **Tech savvy** – there are a lot of moving parts to this job. Technology is your best friend. Electronic filing of reports, TD Connect and the eBill require internet use.

This what the Department of Labor says about a Local officer’s role...

“The LMRDA imposes a duty on union officers to manage the funds and property of the union solely for the benefit of the union in accordance with its constitution and bylaws.”
