

Request to Update Contact Information Notice

Please reach out to your Local S&T to ensure your contact information is up to date and complete in our union database.

You can also scan the QR Code below with your phone which links directly to a form that submits to the SMART TD Office.

Why? To help us keep you informed of Union activities!

Important information you will receive:

- ▶ TD News
- ▶ Dues Receipts
- ▶ Ballots
- ▶ Union Business Notices

If you have not received your monthly newspaper for a long amount of time, it's a good indicator your address is not correct.
