The following represents a synthesis of the current collective bargaining agreement between the parties, reflecting updates to the agreement since its effective date of January 1, 1983. The parties have attempted to make this update as comprehensive as possible; however, there may be letter agreements which have been inadvertently omitted from this revision. Any such letters are not superceded by this synthesis and remain in effect according to their own terms.
RULE 1 - SCOPE

The provisions set forth in this Agreement shall constitute an Agreement between the National Railroad Passenger Corporation and its yard masters, represented by the United Transportation Union and shall govern the hours of service, working conditions and rates of pay of the respective positions and employees classified herein.

Where yard masters are employed they will report to and receive their instructions and directions, if any, from the superintendent, transportation manager or other designated official and shall have jurisdiction over all employees in the assigned territory involved in yard operations and will direct yard operations, make up and movement of trains, engines and cars therein. Within the territory assigned, a yard master must determine:

Crews report for duty with prescribed number of employees at the appointed times;

Employees properly discharge their duties;

Trains are made up correctly and promptly moved at the times prescribed;

Cars and engines are handled carefully;

and in conjunction with the foregoing, yard masters will plan, coordinate and effect economical operations, seeing there is full compliance with operating and safety rules.

RULE 2 - DEFINITIONS

The term "yard master" shall include yard master and assistant yard master.

The term "regular yard master" means an employee holding an advertised position other than an extra list position.

The term "extra yard master" means an employee assigned to a yard master extra list.

The term "unassigned yard master" means an employee with yard master seniority who does not hold an advertised yard master position.

The term "substitute yard master" means an employee who has made known, in writing (copy to Local Chairman), his desire to become a yard master, but who has not acquired seniority.
Except as otherwise specified, all reference to number of days means calendar days.

The term "duly accredited representative", as used in this Agreement, unless otherwise specifically designated, shall be understood to mean the regularly constituted committee, or any member or members thereof, or an officer of the organization signatory hereto.

RULE 3 - PROBATIONARY PERIOD

(a) Applications for employees newly hired or newly appointed to positions covered by this Agreement shall be approved or disapproved within ninety (90) calendar days after applicants begin work on a position covered by the Agreement. Applicants shall within ninety (90) calendar days from date of employment, if requested, have returned to them all documents which have been furnished to the Corporation.

(b) In the event of applicants giving materially false information, the ninety (90) calendar day time limit shall not apply. However, this exception; shall not be applicable to employees who have been in service for a period of three (3) years or more.

RULE 4 - CONSIDERATION FOR PROMOTION

Yard masters will be considered for promotion to official positions as opportunity may offer.

RULE 6 - DATE OF SENIORITY

(a) The seniority of a yard master, except as provided in paragraph (b) of this rule, shall be the date established and shall be confined to the seniority district where regularly assigned or where last worked in the craft. Yard masters filling official positions covered by Rule 9 - Official or Excepted Positions, will be shown on the seniority district where last employed as a yard master.
(b) Subsequent to the date of this Agreement, seniority of yard masters shall date from the first date they are assigned to a regular position, after having demonstrated their qualifications by remaining on such a position for ninety (90) days.

It is agreed that days assigned to an extra list established pursuant to Rule 30 will be counted towards the ninety (90) day requirement in establishing seniority as a yard master as set forth in this paragraph. It was also further understood that days on which an employee is not available for service on the extra list will not be counted in the fulfillment of the ninety (90) day period.

(c) The Division Manager-Labor Relations shall advise the interested Local Chairman currently as yard masters acquire roster standing, giving date of seniority and date acquired ninety (90) days service.

**RULE 7 - ROSTERS**

Seniority rosters showing rank, name, employee number and seniority date as yard master must be issued by the Company to the Office of each Transportation Manager, Assistant Transportation Manager and Yard Master, and will be open to the inspection of all concerned. (c) Nothing in this rule shall operate to permit protest against seniority dates established prior to the effective date of this Agreement.

(d) A note shall be placed on each roster stating the time limit for filing protest thereto.

(e) No change in seniority standing of any yard master will be made by the Corporation without conference and agreement with the Local Chairman, except for the addition of names of employees retaining seniority under Rule 9 - Official or Excepted Positions, who return to positions covered by this Agreement after the posting of the preceding roster.

First day worked on position to which transferred was Monday. He will be paid on straight time basis from Friday of preceding week to and including Friday of current week.

(g) Nothing in this Agreement shall be construed to require the filling of an assignment on the days off of the regular yard master where the work can be absorbed by other yard masters then on duty.

(h) Any tour of duty worked by an unassigned yard master in the exercise of his rights in another craft or class will not be considered in any way in connection with the application of the provisions of this agreement.

(1) A yard master must furnish the Corporation with a statement from the court of jury allowances paid and the days on which jury duty was performed.

(2) The number of days for which jury duty pay shall be paid is limited to a maximum of sixty (60) days in any calendar year.

(4) When a yard master is excused from railroad service account of jury duty, the Corporation shall have the option of determining whether or not the employee's regular position shall be blanked, notwithstanding the provisions of any other rules.

(5) The above provisions shall apply to extra yard masters except that pay for time lost shall not exceed the basic day at the Assistant Yard Master rate.

(6) Except as provided in paragraph (7), an employee will not be required to work on his assignment on days on which jury duty:

(a) ends within four hours of the start of his assignment; or

(b) is scheduled to begin during the hours of his assignment or within four hours of the beginning or ending of his assignment.

A yard master may be required to instruct other yard masters.

RULE 28 - PROGRAMMING

Yard masters may program work to be performed by road or yard crews at a time when no yard master is assigned to be on duty or called for duty, so long as such performance does not result in the elimination of a yard master’s position. It is also understood that no violation occurs when work programmed by a yard master is relayed to the crews involved by other than a yard master. When this programming involves a yard crew, whose starting time is on a subsequent shift, the yard master who did the programming will be allowed $5.00 in addition to all other earnings for that tour of duty.
NOTE: The $5.00 differential specified above shall not be subject to any future general wage and/or cost-of-living increases.

RULE 29 - COMPENSATION CLAIMS

(a) Claims for compensation alleged to be due, may be made by a yard master or by a duly accredited representative on his behalf and must be presented, in writing, to the yard master’s immediate supervisor within sixty (60) calendar days from date of occurrence.

(b) If claims are not made within the time limits specified in the foregoing paragraph (a) of this rule, they will not be entertained or allowed.

(c) When claims for compensation alleged to be due have been presented in accordance with the foregoing paragraph (a) of this rule, and are not allowed, the employee or the duly accredited representative (when the claim is presented by such representative) will be notified to this effect, in writing, within sixty (60) calendar days from the date his claim was presented. When not so notified, claims will be allowed.

(d) A claim for compensation denied in accordance with the foregoing paragraph (c) of this rule will be considered invalid unless it is listed for discussion by a duly accredited representative with the Division Manager-Labor Relations within sixty (60) calendar days after the date on which the claim was initially denied.

(e) Failing to comply with this provision, the matter shall be considered closed, but this shall not be considered as a precedent or waiver of the contentions of the employees as to other similar claims or grievances. It is understood, however, that the parties may, by agreement, at any stage of the handling of a claim or grievance on the property, extend the sixty (60) day period for either a decision or appeal, up to and including the highest officer of the Corporation designated for that purpose.

(f) Except as otherwise provided in paragraph (i) hereof, the requirements outlined in the preceding paragraphs pertaining to appeal by the employee or his duly accredited representative shall govern in appeals taken to each succeeding officer.

(g) Each Division Manager-Labor Relations will meet monthly with the organization for the purpose of disposing, if possible, of disputes growing out of grievances, or out of the interpretation or application of agreements concerning rules, rates of pay and working conditions, as well as cases involving alleged injustices. In addition, other questions may be presented and handled at
monthly meetings. These meetings will be held on dates scheduled in advance and the organization or the Division Manager-Labor Relations will list, in writing, to the other party at least fourteen (14) calendar days in advance, subjects for discussion at such meetings. Decisions will be rendered in writing within sixty (60) calendar days from date discussed.

(h) The Director-Labor Relations will meet monthly with the General Chairman for the purpose of disposing of matters not settled with the Division Manager-Labor Relations. These meetings will be held on dates scheduled in advance and the General Chairman or the Director-Labor Relations will list in writing to the other party at least fourteen (14) calendar days in advance, subjects for discussion at such meetings. Decisions will be rendered in writing within sixty (60) calendar days from date discussed.

(i) All claims or grievances involved in a decision by the Director-Labor Relations shall be barred unless within six (6) months from the date of said officer’s decision, proceedings are instituted before the National Railroad Adjustment Board or such other Board as may be legally substituted therefor under the Railway Labor Act, as amended. It is understood, however, that the parties may by agreement in any particular case extend the six (6) months’ period herein referred to.

(j) Any adjustment growing out of claims covered by this rule shall not exceed in amount the difference between the amount actually earned by the yard master and the amount he would have earned from the Corporation, if he had been properly dealt with under this Agreement.

(k) When time claims are allowed by the Division Manager-Labor Relations, the interested employees and the duly accredited representative will be advised in writing the amounts involved and the payrolls on which the payments will be made. When time claims are allowed by the Director-Labor Relations, the General Chairman will be advised in writing the amounts involved and the payrolls on which the payments will be made.

RULE 30 - EXTRA LIST

(a) In general railroad areas, the Corporation may establish an extra list consistent with the amount of extra work and number of vacancies available to extra employees. The Corporation will determine the location of and the number of employees assigned to an extra list.

(b) Extra List positions will be subject to advertisement in accordance with Rule 14 - Bulletin and Awards. Reductions in the extra list will be handled in accordance with the provisions of the applicable Advanced Notice of Positions Abolished Rule.
(c) The work week for extra yard masters shall consist of a seven (7) day period starting with the first day of the weekly payroll period for their territory. An employee assigned to an extra list for an entire work week who does not lay off or miss a call will be guaranteed the money equivalent of forty (40) straight time hours at the Assistant Yard Master Rate.

(d) An extra list will be operated on a rotating basis subject to the provisions of paragraph (f) of this rule.

(e) Extra employees missing a call for an assignment for which they stand will be placed at the bottom of the extra list.

(f) When a vacancy, if filled, is known to be of five (5) or more days duration, the senior qualified yard master who has made written request will be assigned for the duration of the vacancy and will not return to his regular position until the day following the last work day on the vacancy. The vacancy of the employee so assigned shall not be subject to the application of this paragraph. The term yard master as used in this rule does not apply to unassigned or substitute yard masters.

(g) Extra yard masters will provide their immediate supervisor the telephone number at which they may be called.

(h) An employee marking up on the extra list for the first time will be placed behind those employees then on the list but ahead of employees who are working or assigned to a hold-down at the time.

(i) Extra yard masters will be required to be qualified on the assignments in the territory protected by their list within ninety (90) days following their assignment to the list, provided they are afforded the opportunity.

(j) When instructed to post, extra yard masters will be paid at the Assistant Yard Master rate.

(k) Posting shall not be considered in the application of Rule 18 - Overtime, Basis of.

(l) When no yard master is available to work at the straight time rate of pay, yard master vacancies, if filled, and extra work may be performed by qualified employees as follows:

(1) By the senior available unassigned yard master, except that such employee will not be used as a yard master on the rest days of his regular craft assignment or, if an extra employee, after working five (5) straight time days in such craft.
(2) By an available substitute yard master except that such employee will not be used as a yard master on the rest days of his regular assignment, or, if an extra employee, after working five (5) straight time days in such craft.

NOTE: In the application of Items (1) and (2) above, a yard master shall not be considered available if his use as yard master would immediately precede or follow a tour of duty in another craft.

(3) By the senior available yard master who has indicated, in writing his desire to be considered for overtime.

RULE 31 - POSITIONS ABOLISHED - ADVANCE NOTICE OF

(a) Except as provided in paragraphs (b) and (c) of this rule, when a position is abolished, the yard master regularly assigned thereto will be given not less than thirty-six (36) hours' advance notice. The General Chairman will be advised not less than ten (10) calendar days prior to the effective date of any abolishment of a regular or relief position which reduces the number of such positions in a thirty (30) mile radius. If requested by the General Chairman, the representative of the Corporation and the General Chairman, or his representative, shall meet for the purpose of discussing such abolishment.

(b) No advance notice shall be required before temporarily abolishing positions or making temporary force reductions under emergency conditions, such as flood, snow storm, hurricane, tornado, earthquake, fire or labor dispute other than as covered in paragraph (c) below, provided that such conditions result in suspension of the Corporation's operations in whole or in part. It is understood and agreed that such temporary force reductions will be confined solely to those work locations directly affected by any suspension of operations. It is further understood and agreed that notwithstanding the foregoing, any employee who is affected by an emergency force reduction and reports for work for his position without having been previously notified not to report, shall receive four (4) hours pay at the applicable rate for his position. If an employee works any portion of the day, he will be paid for the time actually worked with a minimum of four (4) hours.

(c) No advance notice shall be required before positions are temporarily abolished or forces are temporarily reduced where a suspension of the Corporation's operation in whole or in part is due to a labor dispute between the Corporation and any of its employees. It is also understood that effective with the first full tour of duty following cessation of the labor dispute, all employees whose positions are abolished and all employees subsequently displaced due to the abolishment will revert to the positions they held immediately prior to the labor dispute.
RULE 32 - ASSIGNMENT - BEGINNING OF

The tour of duty of regular assignments shall not begin or end between the hours of Midnight and six (6:00) a.m., except by agreement between the Corporation and the Local Chairman.

RULE 33 - ASSISTANT YARD MASTERS - SUPERVISION OF

A yard master on one trick will not be required to supervise assistant yard masters whose entire tour of duty are on other tricks.

RULE 34 - STARTING TIME AND STARTING POINT

A regular yard master shall have a designated time and starting point for going on duty and he shall be relieved at the starting point. The term "starting point" as used in this rule shall be understood to mean any place under the yard master’s jurisdiction.

RULE 35 - PRIVATE AUTO - USE OF

(a) Yard masters shall not be required to furnish their privately owned automobiles for Corporation use.

(b) Yard masters requested to and using their private automobiles for Corporation business shall be allowed mileage made for the use thereof in accordance with the mileage rate established by the Corporation.

RULE 36 - DISCIPLINE AND APPEALS

(a) When a major offense has been committed, a yard master suspected by the Corporation to be guilty thereof, may be held out of service pending hearing and decision.

(b) A yard master who has been in the Corporation’s service ninety (90) calendar days or longer and against whom the Corporation has preferred specific charges, in writing, shall not be disqualified, suspended or dismissed without a hearing at which he shall be permitted to have a duly accredited representative or representatives of his choosing and witnesses to testify on his behalf. Copy of this notice will be furnished the Local Chairman. The accused yard master or his duly accredited representative shall be permitted to question witnesses insofar as the interests of the accused yard master are involved. The hearings shall begin within thirty (30) calendar days from the date of the employee’s immediate supervisor’s first knowledge of the yard master’s involvement.
Copy of the hearing transcript shall be given the accused yard master and his duly accredited representative if he was so represented. Decision shall be given in writing within thirty (30) calendar days after the close of the hearing to the yard master with copy to the Local Chairman. In cases of dismissal, a copy of the decision will be sent to the General Chairman via Certified U.S. Mail, in accordance with the provisions of "Expedited Handling of Dismissal Cases", set forth below. The time limits of this paragraph may be extended by mutual agreement between the yard master or his duly accredited representative and the Corporation which shall not be unreasonably withheld by either party.

(c) If the decision is not satisfactory to the yard master, appeal in writing may be taken successively, to the Division Manager-Labor Relations and the Director-Labor Relations, provided such appeals are made in writing within thirty (30) calendar days from the date of previous decision. The decisions of the Division Manager-Labor Relations and the Director-Labor Relations shall be rendered within thirty (30) days of the date the appeal is heard.

(d) The decision of the Director-Labor Relations shall be considered final and binding unless within sixty (60) calendar days thereafter he is notified in writing that the decision is not acceptable. Subsequent handling must be instituted within six (6) months from the date of such decision.

Expedited Handling of Dismissal Cases

1. When an employee has been dismissed, the General Chairman must, within thirty (30) days after the date of the notice of dismissal, appeal the case directly to the Director-Labor Relations requesting a conference.

NOTE: In order to facilitate the appeal, a copy of the notice of dismissal will be sent to the General Chairman via Certified U.S. Mail.

2. A conference will be arranged as promptly as possible, but not later than thirty (30) days after the Director-Labor Relations receives the appeal. The Director-Labor Relations will render a decision within fifteen (15) days after the case is discussed in conference.

3. The decision of the Director-Labor Relations will be final and binding unless, within thirty (30) days of such decision the General Chairman notifies the Director-Labor Relations of his desire to submit the case to a tribunal having jurisdiction pursuant to law or agreement over the matter involved.

(e) Appeals not handled in accordance with the provisions of this rule shall be deemed to have been abandoned.
(f) If the original decision or any appeal decision holds that the yard master was unjustly disqualified, suspended, or dismissed, his record will be changed accordingly and he shall be reinstated with seniority rights unimpaired and compensated for wage loss sustained, if any, less the amount earned in other employment.

RULE 37 - MILITARY TRAINING

When employees assigned to regular and/or extra list positions who are members of the Reserves or National Guard are required to be absent from work for the purpose of annual summer training exercises, they shall be paid the actual time lost during their regular workdays or workweeks (maximum of eight (8) hours' pay at the straight time rate of their positions for each day lost). Compensation received by the employees for other than meals, lodging or transportation, shall be remitted to the Corporation. Such employees must furnish the Corporation with a statement signed by their Commanding Officer for compensation paid and the days on which such military training service was performed.

RULE 38 - TRAINING

When employees require additional training to remain qualified for positions to which currently assigned, they may be assigned to classroom or on-the-job training at such times and places as necessary. Employees will be paid at the pro rata rate for classroom or on-the-job training not to exceed eight (8) hours pay per day. If it is necessary to change the rest days or working hours of employees in order to provide this training, the Corporation may do so and no overtime shall be paid as long as two rest days are allowed in a seven day period commencing with the first day of training. Employees will be given reasonable advance notice concerning training assignments and scheduling of training sessions.

RULE 39 - PERSONAL LEAVE

(a) A maximum of two days of personal leave will be provided on the following basis:

Employees who have met the qualifying requirements under vacation rules in effect on January 1, 1982 for three (3) weeks of vacation shall be entitled to one day of personal leave in 1982 and subsequent calendar years;

Employees who have met the qualifying requirements under vacation rules in effect on January 1, 1982, for four (4) weeks or more of vacation shall be entitled to two days of personal leave in 1982 and subsequent calendar years.
(b)(1) Personal leave days provided in paragraph (a) may be taken upon 48 hours advance notice from the employee to the proper carrier officer provided, however, such days may be taken only when consistent with the requirements of the carrier’s service. It is not intended that this condition prevent an eligible employee from receiving personal leave days except where the request for leave is so late in a calendar year that service requirements prevent the employee’s utilization of any personal leave days before the end of that year.

(2) Personal leave days will be paid for at the regular rate of the employee’s position or the protected rate, whichever is higher.

(3) The personal leave days provided in paragraph (a) shall be forfeited if not taken during each calendar year. Any restrictions against blanking jobs or realigning forces will not be applicable when an employee is absent under these provisions.

RULE 40 - RATE PROGRESSION

(2) For the second twelve (12) calendar months of employment, such employees shall be paid 80% of the applicable rates of pay (including COLA).

(3) For the third twelve (12) calendar months of employment, such employees shall be paid 85% of the applicable rates of pay (including COLA).

(4) For the fourth twelve (12) calendar months of employment, such employees shall be paid 90% of the applicable rates of pay (including COLA).

(5) For the fifth twelve (12) calendar months of employment, such employees shall be paid 95% of the applicable rates of pay (including COLA).

(b) Employees who have had an employment relationship with the carrier and are rehired will be paid at established rates after completion of a total of sixty (60) months’ combined service.
(c) Service with the carrier in a craft represented by another organization shall also be included in determining periods of employment under this rule.

(d) An employee who has had a previous employment relationship as a yard master with a carrier and is subsequently hired by another carrier shall be covered by this rule. However, such employee will receive credit toward completion of the sixty (60) month period for any month in which compensated service was performed as a yard master provided that such compensated service last occurred within one year from the date of subsequent employment.

(e) Any calendar month in which an employee does not render compensated service due to furlough, voluntary absence, suspension, or dismissal shall not count toward completion of the sixty (60) month period.

RULE 41 - SPECIAL ACCOUNTS

Amtrak will establish flexible spending accounts for dependent care and health care. The plans will be in accordance with the IRS regulations and applicable laws.

RULE 42 - NON-DISCRIMINATION

(a) The parties to this Agreement pledge to comply with Federal and State Laws dealing with non-discrimination against any employee. This obligation to not discriminate in employment includes, but is not limited to placement, upgrading, transfer, demotion, rates of pay or other forms of compensation, selection for training including apprenticeships, lay-off or termination.

(b) Wherever words are used herein in the masculine gender, they shall be construed as though they were also used in the feminine gender in all cases where they would so apply.

RULE 43 - TOTAL QUALITY COMMITMENT

The company and union recognize that Amtrak's success is dependent on delivering quality service to the traveling public. It is the mutual goal of the parties to promote quality service in every phase of Amtrak's operations. To meet this goal, the company and union pledge to cooperate in endeavors which promote quantity and quality of work; safety and efficiency of operations and harmonious work relationships.
In order to meet this goal, it is understood that work not traditionally associated with employees covered by this agreement may be required of employees qualified to perform such work. This agreement recognizes that certain ebb and flow of work has existed and will continue to exist and nothing in this agreement grants employees covered by this agreement the right to any work to the exclusion of other crafts who are or may be assigned to perform such work. Under this agreement, work within the craft may be performed by any qualified employee who may or may not be a member of the craft. The purpose of this rule is to promote a concept of teamwork that will provide for the efficient use of personnel and cost effective, quality service.

In connection with the parties agreement on Total Quality Commitment, it is understood that present employees and those who establish seniority under the rules agreement will not be furloughed as a direct result of this rule.

The parties recognize that a joint approach involving employees and supervisors at the local level is essential to delivering quality customer service and improving the effectiveness of Amtrak’s performance. Local supervisors and employees are encouraged to implement cooperative approaches, including quality circles, to improve our operation and quality of customer service.

The company and union recognize that quality offers the greatest opportunity for the success and security of Amtrak and its employees. To this end, the parties commit and make quality the performance standard for all employees.

RULE 44 - RETIREMENT SAVINGS PLAN

Amtrak will establish a 401(k) tax-deferred retirement savings plan for its eligible employees represented by the United Transportation Union - Yard Master Department, subject to the following provisions:

1. The plan will be effective July 1, 1994, or as soon thereafter as possible. Eligible employees may make contributions as provided in the Plan through payroll deductions.

2. An eligible employee is an active employee who has completed one year of service as defined in the Plan.

3. Participation in the Plan by an eligible employee shall be voluntary.

4. There will be no contributions to the Plan by Amtrak.

5. Amtrak will take such actions as may be prudent or required by law to maintain the tax qualified status of the Plan.
RULE 45 - NOTICE OF CHANGE

This Agreement, which includes the Appendices, shall become effective January 1, 1983, and shall remain in full force and effect until revised in accordance with the procedure prescribed by the Railway Labor Act, as amended.

UNION SHOP AGREEMENT

between

Participating Eastern Carriers

and

Employees Represented By the Railway Labor Organizations

Signatory Thereto

(Effective September 15, 1952)

This Agreement made this 29th day of August 1952, by and between the participating carriers listed in Exhibit A, attached hereto and hereby made a part hereof, and represented by the Eastern Carriers’ Conference Committee, and the employees shown thereon and represented by the Railway Labor Organizations signatory hereto, through the Employees’ National Conference Committee, Seventeen Cooperating Railway Labor Organizations, witnesseth:

IT IS AGREED:

Section 1.

In accordance with and subject to the terms and conditions hereinafter set forth, all employees of the carriers now or hereafter subject to the rules and working conditions agreements between the parties hereto, except as hereinafter provided, shall, as a condition of their continued employment subject to such agreements, become members of the organization party to this agreement representing their craft or class within sixty calendar days of the date they first perform compensated service as such employees after the effective date of this agreement, and thereafter shall maintain membership in such organization; except that such membership shall not be required of any individual until he has performed compensated service on thirty days within a period of twelve consecutive calendar months. Nothing in this agreement shall alter, enlarge or otherwise change the coverage of the present or future rules and working conditions agreements.

Section 2.

This agreement shall not apply to employees while occupying positions which are excepted from the bulletining and displacement rules of the individual agreements, but this provision shall not include employees who are subordinate to and report to other employees who are covered by this agreement. However, such excepted employees are free to be members of the organization at their option.
Section 3.

(a) Employees who retain seniority under the Rules and Working Conditions Agreements governing their class or craft and who are regularly assigned or transferred to full time employment not covered by such agreements, or who, for a period of thirty days or more, are (1) furloughed on account of force reduction, or (2) on leave of absence, or (3) absent on account of sickness or disability, will not be required to maintain membership as provided in Section 1 of this agreement so long as they remain in such other employment, or furloughed or absent as herein provided, but they may do so at their option. Should such employees return to any service covered by the said Rules and Working Conditions Agreements and continue therein thirty calendar days or more, irrespective of the number of days actually worked during that period, they shall, as a condition of their continued employment subject to such agreements, be required to become and remain members of the organization representing their class or craft within thirty-five calendar days from date of their return to such service.

(b) The seniority status and rights of employees furloughed to serve in the Armed Forces or granted leaves of absence to engage in studies under an educational aid program sponsored by the federal government or a state government for the benefit of ex-service men shall not be terminated by reason of any of the provisions of this agreement but such employees shall, upon resumption of employment, be considered as new employees for the purposes of applying this agreement.

(c) Employees who retain seniority under the rules and working conditions agreements governing their class or craft and who, for reasons other than those specified in subsection (a) and (b) of this section, are not in service covered by such agreements, or leave such service, will not be required to maintain membership as provided in Section 1 of this agreement so long as they are not in service covered by such agreements, but they may do so at their option. Should such employees return to any service covered by the said rules and working conditions agreements they shall, as a condition of their continued employment, be required, from the date of return to such service, to become and remain members in the organization representing their class or craft.

(d) Employees who retain seniority under the rules and working conditions agreements of their class or craft, who are members of an organization signatory hereto representing that class or craft and who in accordance with the rules and working conditions agreement of that class or craft temporarily perform work in another class of service shall not be required to be members of another organization party hereto whose agreement covers the other class of service until the date the employees hold regularly assigned positions within the scope of the agreement covering such other class of service.
Section 4.

Nothing in this agreement shall require an employee to become or to remain a member of the organization if such membership is not available to such employee upon the same terms and conditions as are generally applicable to any other member, or if the membership of such employee is denied or terminated for any reason other than the failure of the employee to tender the periodic dues, initiation fees, and assessments (not including fines and penalties) uniformly required as a condition of acquiring or retaining membership. For purposes of this agreement, dues, fees, and assessments, shall be deemed to be "uniformly required" if they are required of all employees in the same status at the same time in the same organizational unit.

Section 5.

(a) Each employee covered by the provisions of this agreement shall be considered by a carrier to have met the requirements of the agreement unless and until such carrier is advised to the contrary in writing by the organization. The organization will notify the carrier in writing by Registered Mail, Return Receipt Requested, or by personal delivery evidenced by receipt, of any employee who it is alleged has failed to comply with the terms of this agreement and who the organization therefore claims is not entitled to continue in employment subject to the Rules and Working Conditions Agreement. The form of notice to be used shall be agreed upon by the individual railroad and the organizations involved and the form shall make provision for specifying the reasons for the allegation of non-compliance. Upon receipt of such notice, the carrier will, within ten calendar days of such receipt, so notify the employee concerned in writing by Registered Mail, Return Receipt Requested, or by personal delivery evidenced by receipt. Copy of such notice to the employee shall be given the organization. An employee so notified who disputes the fact that he has failed to comply with the terms of this agreement, shall within a period of ten calendar days from the date of receipt of such notice, request the carrier in writing by Registered Mail, Return Receipt Requested, or by personal delivery evidenced by receipt, to accord him a hearing. Upon receipt of such request the carrier shall set a date for hearing which shall be held within ten calendar days of the date of receipt of request therefor. Notice of the date set for hearing shall be promptly given the employee in writing with copy to the organization, by Registered Mail, Return Receipt Requested, or by personal delivery evidenced by receipt. A representative of the organization shall attend and participate in the hearing. The receipt by the carrier of a request for a hearing shall operate to stay action on the termination of employment until the hearing is held and the decision of the carrier is rendered.
In the event the employee concerned does not request a hearing as provided herein, the carrier shall proceed to terminate his seniority and employment under the Rules and Working Conditions Agreement not later than thirty calendar days from receipt of the above described notice from the organization, unless the carrier and the organization agree otherwise in writing.

(b) The carrier shall determine on the basis of the evidence produced at the hearing whether or not the employee has complied with the terms of this agreement and shall render a decision within twenty calendar days from the date that the hearing is closed, and the employee and the organization shall be promptly advised thereof in writing by Registered Mail, Return Receipt Requested.

If the decision is that the employee has not complied with the terms of this agreement, his seniority and employment under the Rules and Working Conditions Agreement shall be terminated within twenty calendar days of the date of said decision except as hereinafter provided or unless the carrier and the organization agree otherwise in writing.

If the decision is not satisfactory to the employee or to the organization it may be appealed in writing, by Registered Mail, Return Receipt Requested, directly to the highest officer of the carrier designated to handle appeals under this agreement. Such appeals must be received by such officer within ten calendar days of the date of the decision appealed from and shall operate to stay action on the termination of seniority and employment, until the decision on appeal is rendered. The carrier shall promptly notify the other party in writing of any such appeal, by Registered Mail, Return Receipt Requested. The decision on such appeal shall be rendered within twenty calendar days of the date the notice of appeal is received, and the employee and the organization shall be promptly advised thereof in writing by Registered Mail, Return Receipt Requested.

If the decision on such appeal is that the employee has not complied with the terms of this agreement, his seniority and employment under the Rules and Working Conditions Agreement shall be terminated within twenty calendar days of the date of said decision unless selection of a neutral is requested as provided below, or unless the carrier and the organization agree otherwise in writing. The decision on appeal shall be final and binding unless within ten calendar days from the date of the decision the organization or the employee involved requests the selection of a neutral person to decide the dispute as provided in Section 5(c) below. Any request for selection of a neutral person as provided in Section 5(c) below shall operate to stay action on the termination of seniority and employment until not more than ten calendar days from the date decision is rendered by the neutral person.
(c) If within ten calendar days after the date of a decision on appeal by the highest officer of the carrier designated to handle appeals under this agreement the organization or the employee involved requests such highest officer in writing by Registered Mail, Return Receipt Requested, that a neutral be appointed to decide the dispute, a neutral person to act as sole arbitrator to decide the dispute shall be selected by the highest officer of the carrier designated to handle appeals under this agreement or his designated representative, the Chief Executive of the organization or his designated representative, and the employee involved or his representative. If they are unable to agree upon the selection of a neutral person any one of them may request the Chairman of the National Mediation Board in writing to appoint such neutral. The carrier, the organization and the employee involved shall have the right to appear and present evidence at a hearing before such neutral arbitrator. Any decision by such neutral arbitrator shall be made within thirty calendar days from the date of receipt of the request for his appointment and shall be final and binding upon the parties. The carrier, the employee, and the organization shall be promptly advised thereof in writing by Registered Mail, Return Receipt Requested. If the position of the employee is sustained, the fees, salary and expenses of the neutral arbitrator shall be borne in equal shares by the carrier and the organization; if the employee’s position is not sustained, such fees, salary and expenses shall be borne in equal shares by the carrier, the organization and the employee.

(d) The time periods specified in this section may be extended in individual cases by written agreement between the carrier and the organization.

(e) Provisions of investigation and discipline rules contained in the Rules and Working Conditions Agreement between a carrier and the organization will not apply to cases arising under this agreement.

(f) The General Chairman of the organization shall notify the carrier in writing of the title(s) and address(es) of its representatives who are authorized to serve and receive the notices described in this agreement. The carrier shall notify the General Chairman of the organization in writing of the title(s) and address(es) of its representatives who are authorized to receive and serve the notices described in this agreement.

(g) In computing the time periods specified in this agreement, the date on which a notice is received or decision rendered shall not be counted.
Section 6.

Other provisions of this agreement to the contrary notwithstanding, the carrier shall not be required to terminate the employment of an employee until such time as a qualified replacement is available. The carrier may not, however, retain such employee in service under the provisions of this section for a period in excess of sixty calendar days from the date of the last decision rendered under the provisions of Section 5, or ninety calendar days from date of receipt of notice from the organization in cases where the employee does not request a hearing. The employee whose employment is extended under the provisions of this section shall not, during such extension, retain or acquire any seniority rights. The position will be advertised as vacant under the bulletinizing rules of the respective agreements but the employee may remain on the position he held at the time of the last decision, or at the date of receipt of notice where no hearing is requested pending the assignment of the successful applicant, unless displaced or unless the position is abolished. The above periods may be extended by agreement between the carrier and the organization involved.

Section 7.

An employee whose seniority and employment under the Rules and Working Conditions Agreement is terminated pursuant to the provisions of this agreement or whose employment is extended under Section 6 shall have no time or money claims by reason thereof.

If the final determination under Section 5 of this agreement is that an employee’s seniority and employment in a craft or class shall be terminated, no liability against the carrier in favor of the organization or other employees based upon an alleged violation misapplication or non-compliance with any part of this agreement shall arise or accrue during the period up to the expiration of the 60 or 90 day periods specified in Section 6, or while such determination may be stayed by a court, or while a discharged employee may be restored to service pursuant to judicial determination. During such periods, no provision of any other agreement between the parties hereto shall be used as the basis for a grievance or time or money claim by or on behalf of any employee against the carriers predicated upon any action taken by the carrier in applying or complying with this agreement or upon an alleged violation, misapplication or non-compliance with any provision of this agreement. If the final determination under Section 5 of this agreement is that an employee’s employment and seniority shall not be terminated, his continuance in service shall give rise to no liability against the carrier in favor of the organization or other employees based upon an alleged violation, misapplication or non-compliance with any part of this agreement.
Section 8.

In the event that seniority and employment under the Rules and Working Conditions Agreement is terminated by the carrier under the provisions of this agreement, and such termination of seniority and employment is subsequently determined to be improper, unlawful, or unenforceable, the organization shall indemnify and save harmless the carrier against any and all liability arising as the result of such improper, unlawful, or unenforceable termination of seniority and employment; provided, however, that this section shall not apply to any case in which the carrier involved is the plaintiff or the moving party in the action in which the aforesaid determination is made or in which case such carrier acts in collusion with any employee; provided further, that the aforementioned liability shall not extend to the expense to the carrier in defending suits by employees whose seniority and employment are terminated by the carrier under the provisions of this agreement.

Section 9.

An employee whose employment is terminated as a result of non-compliance with the provisions of this agreement shall be regarded as having terminated his employee relationship for vacation purposes.

Section 10.

(a) The carriers party to this agreement shall periodically deduct from the wages of employees subject to this agreement periodic dues, initiation fees, and assessments (not including fines and penalties) uniformly required as a condition of acquiring or retaining membership in such organization, and shall pay the amount so deducted to such officer of the organization as the organization shall designate; provided, however, that the requirements of this subsection (a) shall not be effective with respect to any individual employee until he shall have furnished the carrier with a written assignment to the organization of such membership dues, initiation fees and assessments, which assignment shall be revocable in writing after the expiration of one year or upon the termination of this agreement whichever occurs sooner.

(b) The provisions of subsection (a) of this section shall not become effective unless and until the carrier and the organization shall, as a result of further negotiations pursuant to the recommendations of Emergency Board No. 98, agree upon the terms and conditions under which such provisions shall be applied; such agreement to include, but not be restricted to, the means of making said deductions, the amounts to be deducted, the form, procurement and filing of authorization certificates, the frequency of deductions, the priority of said deductions with other deductions now or hereafter authorized, the payment and distributions of amounts withheld and any other matters pertinent thereto.
Section 11.

This agreement shall become effective on September 15, 1952, and is in full and final settlement of notices served upon the carriers by the organizations, signatory hereto, on or about February 5, 1951. It shall be construed as a separate agreement by and on behalf of each carrier party hereto and those employees represented by each organization on each of said carriers as heretofore stated. This agreement shall remain in effect until modified or changed in accordance with the provisions of the Railway Labor Act, as amended.

APPENDIX "D"

DUES DEDUCTION

THIS AGREEMENT IS ENTERED INTO THIS 1ST DAY OF JANUARY 1983, BY AND BETWEEN NATIONAL RAILROAD PASSENGER CORPORATION (AMTRAK) AND ITS EMPLOYEES REPRESENTED BY THE UNITED TRANSPORTATION UNION - YARDMASTERS DEPARTMENT.

IT IS AGREED:

Section 1

Subject to the conditions herein set forth, the Corporation will withhold and deduct from wages due employees represented by the United Transportation Union - Yardmasters Department amounts equal to periodic dues, initiation fees and assessments (not including fines and penalties, nor insurance premiums unless included in the periodic dues) uniformly required as a condition of acquiring or retaining membership in the union.

Section 2

No such deduction shall be made except from the wages of an employee who has executed and furnished to the Corporation a written assignment, in the manner and form herein provided, of such periodic dues, initiation fees and assessments. Such assignment shall be on the form specified in Attachment "A" hereto and shall, in accordance with its terms, be irrevocable for one year from the date of its execution, or upon the termination of this Agreement, or upon the termination of the rules and working conditions agreement between the parties hereto, whichever occurs sooner.

Section 3

Additions or deletions of names, or changes in amount, shall hereafter be furnished the Director-Payroll Operations, by the union, using a typewritten list identifying the affected employee(s) by name and social security number on or before the 20th day preceding the month in which the deduction will be made.

Section 4

With said draft the Corporation shall return to the union a listing identifying the deductions made and not made containing a computation of the sum withheld.
Section 5

No deduction will be made from the wages of any employee who does not have due to him for the pay period specified an amount equal to the sum to be deducted in accordance with this Agreement, after all deductions for the following purposes have been made:

(a) Federal, State, and Municipal Taxes;

(b) Other deductions required by law, such as garnishments and attachments;

(c) Amounts due Corporation

Section 6

Responsibility of the Corporation under this Agreement shall be limited to remitting to the union amounts actually deducted from the wages of employees pursuant to this Agreement and the Corporation shall not be responsible financially or otherwise for failure to make proper deductions. Any question arising as to the correctness of the amount deducted shall be handled between the employee involved and the union, and any complaints against the Corporation in connection therewith shall be handled by the union on behalf of the employee concerned.

Section 7

An employee who has executed and furnished to the Corporation an assignment may revoke said assignment by executing the revocation form specified herein within fifteen (15) days after the end of the year, but if the employee does not so revoke the assignment it shall be considered as re-executed and may not be revoked for an additional period of one year, unless within such year this Agreement or the rules and working conditions agreement between the parties hereto is terminated, and the re-executed assignment shall similarly continue in full force and effect and be considered as re-executed from year to year unless and until the employee shall execute a revocation form within fifteen (15) days after the end of any such year. Revocations of assignment shall be in writing and on the form specified in Attachment "B" hereto. Attachments "A" and "B" shall be reproduced and furnished as necessary by the union without cost to the Corporation. The union shall assume the full responsibility for the procurement of the execution of said forms by employees, and for the delivery of said forms to the Corporation. Assignment and revocation of assignment forms shall be delivered with the deduction list herein provided for, to the Corporation not later than the 20th of the month preceding the month in which the deduction or termination of deduction is to become effective.
Section 8

No part of this agreement shall be used in any manner whatsoever, either directly or indirectly, as a basis for a grievance or time claim by or in behalf of any employee; and no part of this or any other agreement between the Corporation and the union shall be used as a basis for a grievance or time claim by or in behalf of any employee predicated upon any alleged violation of, or misapplication of, or non-compliance with, any part of this Agreement.

Section 9

The union shall indemnify, defend and save harmless the Corporation from any and all claims, demands, losses or damage resulting from the entering into or complying with the provisions of this Agreement.

This agreement shall become effective January 1, 1983, and shall remain in effect until changed or modified in accordance with the Railway Labor Act, as amended.

9. Employees accepting employment with Amtrak under the terms of this Agreement who are entitled to certain monetary guarantees under Appendix C-1 shall have such guarantees paid as follows:

(a) As promptly as possible following the effective date of the transaction, WTCO shall furnish Amtrak a list,
by union affiliation, showing the applicable guarantee for each employee accepting employment with Amtrak pursuant to the provisions of this Agreement. A copy of such list shall be furnished to the General Chairman signatory hereto. Amtrak shall supply each employee their respective test period average and guarantee.

(b) Amtrak shall prepare and distribute appropriate forms to permit affected employees to file claims for dismissal, displacement, moving, separation allowances as provided for in Appendix C-1.

Claims for guarantee compensation alleged to be due which are allowed shall be paid to the employee by Amtrak acting as an agent for WTCo for this transaction.

(c) Disputes involving claims for guarantee compensation alleged to be due under Appendix C-1 which have not been resolved following handling with Amtrak's Manager Labor Relations Eastern Region and the Corporate Director Labor Relations pursuant to the Amtrak Rules Agreement, may be pursued under the provisions of Section 3, Second of the Railway Labor Act.

10. WTCo shall furnish to each employee a copy of this implementing Agreement to which a copy of Appendix C-1 will be attached.

SYNOPSIS - NATIONAL YARD MASTER VACATION AGREEMENT, AS AMENDED

Section 1

(a)(1) An annual vacation of two weeks (10 working days) with pay will be granted, subject to the conditions set forth in Section 2, to each yard master who rendered compensated service as yard master on not less than one hundred ten (110) days during the preceding calendar year.

(a)(2) An annual vacation of three weeks (15 working days) with pay will be granted, subject to the conditions set forth in Section 2, to each yard master who rendered compensated service as yard master on not less than one hundred (100) days during the preceding calendar year and who at the beginning of the vacation year has eight or more years of continuous service with the employing carrier.

(a)(3) An annual vacation of four weeks (20 working days) with pay will be granted, subject to the conditions set forth in Section 2, to each yard master who rendered compensated service as yard master on not less than one hundred (100) days during the preceding calendar year and who at the beginning of the vacation year has seventeen or more years of continuous service with the employing carrier.

(a)(4) An annual vacation of five weeks (25 working days) with pay will be granted, subject to the conditions set forth in Section 2, to each yard master who rendered compensated service as yard master on not less than one hundred (100) days during the preceding calendar year and who at the beginning of the vacation year has twenty-five or more years of continuous service with the employing carrier.

(NOTE: A shift which extends from one calendar day into another shall be counted as one day in computing the number of qualifying days referred to above.)

(b) Not applicable on Amtrak.

(c) Calendar days in each current qualifying year on which a yard master renders no service as such because of his own sickness or because of his own injury shall be included in computing days of compensated service for vacation qualification purposes on the basis of a maximum of 10 such days for a yard master with less than three years of continuous service with the employing carrier, a maximum of 20 such days for a yard master with three but less than fifteen
years continuous service with the employing carrier and 30 such days for a yard master with fifteen or more years of continuous service with the employing carrier, provided that no calendar day on which a yard master was credited with any compensation under sick leave rules or practices shall be included under this Section 1(c). The maximum number of such days that may be claimed by any individual in any calendar year under this and other schedule agreements shall not exceed a total of 10, 20 or 30 days, respectively.

(NOTE: A shift which extends from one calendar day into another shall be counted as one day in computing the number of qualifying days referred to above.)

(d) In instances where employees who have become members of the Armed Forces of the United States return to the service of the employing carrier in accordance with the Military Selective Service Act of 1967, as amended, the time spent by such employees in the Armed Forces subsequent to their employment by the employing carrier will be credited as qualifying service in determining the length of vacations for which they may qualify upon their return to the service of the employing carrier.

(e) In instances where an employee who has become a member of the Armed Forces of the United States returns to the service of the employing carrier in accordance with the Military Selective Service Act of 1967, as amended, and in the calendar year preceding his return to railroad service has rendered no compensated service or had rendered compensated service on fewer days than are required to qualify for a vacation in the calendar year of his return to railroad service, but could qualify for a vacation in the year of his return to railroad service if he had combined for qualifying purposes days on which he was in railroad service in such preceding calendar year with days in such year on which he was in the Armed Forces, he will be granted, in the calendar year of his return to railroad service, a vacation of such length as he could so qualify for under Sections 1(a) and (d) hereof.

(f) In instances where an employee who has become a member of the Armed Forces of the United States returns to the service of the employing carrier in accordance with the Military Selective Service Act of 1967, as amended, and in the calendar year of his return to railroad service renders compensated service on fewer days than are required to qualify for a vacation in the following calendar year, but could qualify for a vacation in such following calendar year if he had combined for qualifying purposes days on which he was in railroad service in the year of his return with days in such year on which he was in the Armed Forces, he will be granted, in such following calendar year, a vacation of such length as he could so qualify for under Sections 1(a) and (d) hereof.
Section 2

(a) Local officers of the carrier and local committees of the organization will cooperate in assigning vacation dates, giving due regard to business conditions, availability of a relief employee and to the desires and preferences of the yard masters in seniority order.

(b)(1) When vacations are afforded

(i) A yard master having a regular assignment will be paid for each working day of his vacation the daily compensation (excluding casual or unassigned overtime) of such assignment.

(ii) A yard master not having a regular assignment will be paid while on vacation on basis of the average straight-time compensation earned as a yard master in the last payroll period preceding the vacation during which he performed service for the number of vacation days to which entitled under Section 1.

(2) When vacations are not afforded

If a vacation is not afforded, payment in lieu thereof will be made not later than the first payroll period in January of the following year, computed on the following basis:

(i) A yard master having a regular assignment will be paid in lieu of vacation the daily compensation (excluding casual or unassigned overtime) of such assignment for the number of vacation days to which entitled under Section 1.

(ii) A yard master not having a regular assignment will be paid in lieu of vacation on basis of the average straight-time compensation earned as a yard master in the last payroll period during which he performed service preceding the close of the vacation year for the number of vacation days to which entitled under Section 1.

(c) A yard master who performs service as yard master on any day of his assigned yardmaster vacation period will be paid for such service at time and one-half rather than straight time in addition to vacation pay provided in Section 2(b).

(d) Vacations, or allowances therefor, under two or more schedules held by different organizations on the same carrier shall not be applied to create a vacation, or allowance therefor, of more than the maximum number of days provided for in either of such schedules.
(e) The vacation provided for in this Agreement shall be considered to have been earned when the yard master has qualified under Section 1 hereof. If his employment status is terminated for any reason whatsoever including but not limited to retirement, resignation, discharge, non-compliance with a union-shop agreement, or failure to return after furlough, he shall at the time of such termination be granted full vacation pay earned up to the time he leaves the service including pay for vacation earned in the preceding year or years and not yet granted, and the vacation for the succeeding year if the yard master has qualified therefor under Section 1. If a yard master thus entitled to vacation or vacation pay shall die, the vacation pay earned and not received shall be paid to such beneficiary as may have been designated, or in the absence of such designation, the surviving spouse or children or his estate, in that order of preference.

(f) Vacations shall not be accumulated or carried over from one vacation year to another.

Section 3

Except as otherwise provided herein, this vacation rule shall be effective as of January 1, 1973, and shall be in full force and effect for a period of one year from January 1, 1973, and continue in effect thereafter, subject to not less than seven months' notice in writing (which notice may be served in 1973 or in any subsequent year), by any carrier or the organization party hereto, of desire to change this rule as of the end of the year in which the notice is served. Such notice shall specify the changes desired and the recipient of such notice shall then have a period of thirty days from the date of the receipt of such notice within which to serve notice specifying changes which it or they desire to make. Thereupon such proposals of the respective parties shall thereafter be negotiated and progressed concurrently to a conclusion. When such notice is served, the proceedings shall be under the provisions of the Railway Labor Act.
APPENDIX "G"

APPLICABLE HEALTH AND WELFARE PROVISIONS

Health & Welfare Benefits, Early Retirement Major Medical Expense Benefits, Dental Benefits and Off-Track Vehicle Insurance will be allowed to qualified employees as provided in the following standard national policies:

Travelers Health & Welfare Policy GA-23000
Travelers Major Medical Expense Benefits Policy GA-46000
Aetna Life & Casualty Dental Benefits Policy GP-12000
Connecticut General
Off-Track Vehicle Insurance Policy 0386430-06

It is agreed that benefit levels and other health and welfare provisions, including, but not limited to, those relating to eligibility, delivery of medical services, cost-sharing and cost containment in the national settlement of the 1988 round of negotiations between the National Carriers Conference Committee and the signatory organization will be applicable to this agreement except as provided below.

It is further agreed that notwithstanding those provisions, Amtrak reserves its right, consistent with the decision of Special Board of Adjustment No. 1029 and consistent with the Jointness Principles, Attachment "A", that Amtrak may, within 90 days' notice to the union, pull out of GA-23000 and/or GA-46000 and select a substitute insurer or self-insured system, provided, that the benefit levels thereunder are not changed from those agreed to in those national settlements (unless changed by future collective bargaining between Amtrak and the signatory party). Amtrak need not wait on final completion of the joint administrative and trust details before making the conversion.

It is further agreed that Amtrak employees will contribute an amount towards health care costs equal to the amount paid by employees under the national settlement. However, should Amtrak change insurance carriers from that of the national agreement, the amount of employee contribution for the cost of health care will be proportionally reduced based on any comparative reduction of premiums achieved by Amtrak due to such a change. It is understood that there will be no increase in employee contributions beyond that provided under the national settlement, in the event that Amtrak changes insurance carriers.
Supplemental Retiree Medical Insurance Contribution

Effective July 1982, and for each month thereafter, an amount equal to 2¢ an hour for each hour of service worked as a yard master during such month by any employee covered by this agreement shall be forwarded to the insurance company that administers the organization's prepaid retiree medical insurance program. Such amounts contributed shall be used solely for the purpose of funding benefits for beneficiaries who have met the eligibility requirements of the Railroad Employees National Early Retirement Major Medical Benefit Plan or who were eligible under such Plan but no longer are because of coverage under Medicare.

Supplemental Life Insurance Agreement

The November 29, 1979, Agreement, providing for the establishment of a Supplemental Life Insurance Agreement, shall apply to employees covered by this agreement.
JOINTNESS PRINCIPLES

The parties agree to develop a plan for labor and management to jointly operate and administer a health and welfare benefits plan. The parties will discuss arrangements to effectuate this, including establishing a trust, that would have adequate safeguards and guidelines for efficient and professional administration of the plan, including the use of an appointed neutral to act within a defined jurisdiction to resolve differences between the parties.

In order to assure competitiveness and from an administrative and economical perspective, the plan would necessarily be bid periodically, every three years, for example, unless the parties agreed that the plan would not be bid a particular year.

Selection of an insurance carrier would be on the basis of the best bid from a qualifying insurance carrier with appropriate regard to the performance record in handling the Amtrak plan or similar plan(s). However, if the insurance carrier would be changed in the next two years, Metropolitan would be selected based on their current bid.

Specifically Amtrak retains its right to self insure if such would be more economically beneficial and assure the same quality level of administration.

Amtrak will make every effort to design a proposed joint committee plan and share it with the union promptly. UTU is also committed to reaching an agreement as soon as possible regarding the design and implementation of this joint administrative plan, including the selection of a neutral chairman for the committee.

Both parties understand that a health insurance plan and any agreement with respect to the administration of that plan will permit Amtrak employees of other crafts to be covered, as well as allow their representatives to participate in the work of the committee. However, "benefit levels and other health and welfare provisions" cannot be changed except with the joint approval of UTU and Amtrak.

RULE "G" BYPASS AGREEMENT

The parties to this agreement recognize that the use of alcohol and/or drugs is a serious problem within the railroad industry. Amtrak and the United Transportation Union in an effort to help the apparent Rule "G" violator retain an employment relationship and seek rehabilitation, jointly consider a change in the Rule "G" policy desirable. The objective of this Agreement is to encourage mutual cooperation between labor and management in addressing alcohol and drug use problems in the railroad industry.

1. If any member believes that another member may be in an unsafe condition, such employee may immediately contact an Amtrak officer. If the Amtrak officer, upon investigation, determines there is an apparent violation of Rule G, the employee will be removed from service.

It is understood that when a removal from service takes place, transportation will be furnished back to the employee's home. If the employee does not have the means to return to this home, he or she will be furnished transportation by Amtrak.

2. Once an employee has been relieved from service under paragraph (1), he or she must contact Amtrak's Employee Assistance Program (EAP) Counselor within five (5) working days of the removal from service. If the employee contacts the EAP Counselor and accepts counseling, he will be paid for one full tour of duty as a result of his or her removal from service.
3. If the employee does comply with the requirements set forth in paragraph (2), and the EAP Counselor determines that the employee is not in need of counseling, the employee will be returned to service not later than forty-eight (48) hours unless a physical examination is required. There will be no claim progressed for any time lost as a result of the removal from service other than as provided in paragraph (2) unless the forty-eight (48) hours for return to service is exceeded.

4. If the employee does comply with the requirements set forth in paragraph (2), and the EAP Counselor determines that the employee is in need of employee assistance, and the employee accepts counseling, then the employee will be returned to service upon a favorable recommendation from the EAP Counselor. Successful completion of a physical examination will be required if the employee has been off more than 30 days. In addition, the employee will be subject to such continuing review and testing as deemed appropriate by and only under the direction of the EAP Counselor for up to two years to ensure the effectiveness of treatment. If a subsequent test conducted at the discretion of the EAP Counselor is positive, the employee will be removed from service and required to reenter treatment or counseling, and will again be subject to continuing review and testing for a two-year period commencing upon the completion of treatment. An employee will be permitted no more than two reentries after the initial enrollment in the EAP. There will be no claim progressed for any time lost as a result of the removal from service other than as provided in paragraph (2).

5. If the employee does not comply with the requirements set forth in paragraph (2) or does not accept counseling as provided in paragraph (4), he must lay off and, if he so desires, may request a formal investigation. Such request must be made within five (5) working days of the day removed from service. If the employee does not request an investigation and is off, he
must request a leave of absence prior to the expiration of fifteen (15) calendar days. One 45-day leave of absence will be granted. If at the end of this period, the employee still has not contacted an EAP Counselor or does not accept counseling, if required, all regular rules of the agreements will apply.

6. The employee(s) who originated the action as provided in paragraph (1) will not be called as a witness(s) if a formal investigation is held.

7. This Agreement will apply one time only to each employee covered by this Agreement. Thereafter, all regular rules of the agreements will apply.

8. The rules of the Agreements between the National Railroad Passenger Corporation and the United Transportation Union (Yardmaster's Department) are modified as provided by this Agreement.

9. This Agreement is effective and may be terminated by either party upon service of five (5) days written notice upon the other party.

YARDMASTER DEPARTMENT

PREVENTION PROGRAM COMPANION AGREEMENT

Amtrak and the United Transportation Union jointly recognize that safety is the paramount concern and, further, than an alcohol and drug free environment is an essential element in maintaining a safe work place, agree to the following to ensure the utmost compliance with Rule G:

1. An employee charged with violating Rule G will be eligible to enroll in the Employee Assistance Program (EAP), and will not be disciplined (other than loss of pay for time held out of service) for the Rule G violation provided:

   a. The employee has had no Rule G violation on his or her record for at least ten (10) years; and

   b. The employee has not participated in the Rule G EAP for at least ten (10) years; and

   c. The incident giving rise to the rule G charge did not involve significant rule violations other than Rule G; and

   d. Waives investigation of the Rule G charge.

2. The employee must contact the EAP counselor within five (5) working days of electing to participate in the EAP.

3. After being contacted, the EAP counselor shall evaluate the employee to determine whether or not the employee may safely be returned to service and the course of treatment which the employee should follow.
4. If the evaluation indicates that the employee may safely be returned to service, he or she will be returned to service on a probationary basis for a period of two (2) years and will be subject to periodic alcohol and/or drug tests during that time as determined by and only under the direction of the EAP counselor. Following return to service, the employee must follow the course of treatment established by the counselor during the probationary period.

5. If the evaluation indicates that the employee may not safely be returned to service, he or she will be given a leave of absence until subsequent evaluation(s) indicate that it is safe to return the employee to service on a probationary basis as described in paragraph 4 above.

6. If, at any time during the 24-month probationary period, the employee fails to follow the course of treatment established by the EAP counselor or fails a periodic alcohol and/or drug test required by the counselor, Amtrak will remove the employee from the EAP. If the employee has been returned to service, Amtrak will remove employee from service and the employee will revert to the status of a dismissed employee.

7. An employee may withdraw from the EAP at any time by notifying, in writing, the EAP Counselor and the Amtrak officer who signed the Rule G charge. If the employee has been returned to service, Amtrak will remove the employee from service and the employee will revert to the status of a dismissed employee.

8. If the employee successfully completes the EAP Program, a notation to that effect will be placed on the employee's personal record and the employee's probationary status will terminate.

9. No claims will be progressed by or on behalf of the employee based on time lost as a result of the incident leading to the employee's participating in the Rule G Employee Assistance Program.
10. This Agreement is effective , 1988, and may be terminated by either party upon service of five (5) days written notice upon the other party.

(c) The supplemental allowance to be paid under paragraph (b) will be equal to eighty (80) percent of the yard master’s daily straight time compensation (or for extra yard masters, eighty (80) percent of the assistant yard master rate) less the maximum daily sickness allowance which the yard master will be paid, or could be paid, if proper claim were made by said yard master, under the Railroad Unemployment Insurance Act. In computing such allowance, only the period during which the yard master is accorded sick allowance as provided in this rule will be considered.
(d) After the supplemental sickness allowance in the preceding paragraphs has been granted, a yard master covered by paragraph (b) will be entitled to an additional supplemental allowance as calculated in paragraph (e) for the following number of work days, excluding the first 4 days of any subsequent illness, in a calendar year after completion of the specified continuous years of service with the Corporation:

<table>
<thead>
<tr>
<th>CALENDAR YEARS OF CONTINUOUS SERVICE</th>
<th>WORKING DAYS</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>25*</td>
</tr>
<tr>
<td>15</td>
<td>50*</td>
</tr>
</tbody>
</table>

* This number will be increased by the number of unused sick days from the prior year not to exceed twenty-five (25).

(e) This additional supplemental allowance to be paid for prolonged sick days will be equal to 70 percent of the yard master's daily straight time compensation (or for the extra yard masters, 70 percent of the assistant yard master rate) less the maximum daily sickness allowance which the yard master will be paid, or could be paid, if proper claims were made by said yard master, under the Railroad Unemployment Insurance Act. In computing such allowance, only the period during which the yard master is accorded sick allowance as provided in this rule will be considered.

(f) A sickness commencing in one calendar year and continuing into the next calendar year will be paid in accordance with sick allowance due in the calendar year the disability began and no additional sick allowance shall be payable until the employee returns to active service.

(g) No allowance will be made under this rule for any day on which the yard master is entitled to compensation under any other rule or agreement. In no case shall these benefits be payable for more than five (5) days in any work week.

(h) Payment in cases of known bona-fide disability should be made currently by the local authorized officer in accordance with proper accounting department procedures. In cases of doubt, the yard master may be required to prove, preferably in the form of a Doctor's certificate, that the sickness or injury is bona-fide.

(i) Any yard master falsely claiming sickness or injury will be subject to discipline.

(j) Upon termination of employment relationship or retirement, the provisions of this rule will not be applicable.

Dear Sir:

This refers to my letter of November 24, 1982 in connection with our discussion and understanding on November 23, 1982 regarding Amtrak's assumption of Yardmaster functions at South Station, Boston, South Bay Yard, Boston, Sunnyside Yard, L.I., Penn Station, New York, and Penn Coach Yard, Philadelphia, and of Stationmaster functions at Harrisburg, PA Passenger Station effective January 1, 1983.

As a result of subsequent discussion and agreement with Mr. A. T. Otto, Jr., my letter and proposal of November 24, 1982 is hereby rescinded and the following is proposed.

We are willing to permit successful applicants for positions being established by Amtrak effective January 1, 1983, to retain and continue to accumulate their Conrail seniority but to be entitled to exercise such seniority only if deprived of employment on Amtrak. "Deprived of employment" as used herein, means the inability of an employee covered by this agreement to obtain a position in the normal exercise of his seniority rights with Amtrak. It shall not, however, include a deprivation of employment by reason of retirement, separation allowance, resignation, dismissal or disciplinary suspension for cause, work stoppage or failure to work due to illness or disability.

In addition, for a period of one year beginning January 1, 1983, if additional Conrail Yardmasters are offered and accept employment with Amtrak at the locations identified above for the purpose of filling additional Amtrak Yardmaster needs or for the purpose of replacing one of the Yardmasters transferred to Amtrak on January 1, 1983, such Yardmasters also will be covered by the terms of the preceding paragraph.
